

## **PIER LUIGI DE CANCELLIS**

### **Senior Vice President Quality**

Born in 1969.

Graduated in Chemical Engineering at Politecnico di Milano in 1994.

The same year he joined Research and Development Department of Pirelli Tyre, initially as Car, Truck, Agro, Moto and Racing compounds development, then covering roles with wider responsibility within Motorsport and Materials scope at Headquarter level.

In 2008 within Research and Development, he became Materials Director.

In 2015 he was in charge of Purchasing Department.

In October 2017 he returned to Research & Development Department as Research & Development Director and was, then, appointed Executive Vice President Technology in May 2018. In April 2019 he was appointed Head of Purchasing.

Starting from June 2021 he is Senior Vice President Quality.
