

Critical Upload Tips:

We want to make sure your rebate gets to you as soon as possible. To help us make that happen, we need to verify your purchase.

Details that need to appear on the final invoice you upload to our system are the following:

Retailer Information

Purchase Date

Quantity of Tires

(remember this deal is only good for a set of 4 tires)

Description of the specific tire model purchased

If you ordered your tires online, make sure that you upload the final invoice which includes verifiable tracking information, **not just the order confirmation.**

If for any reason we need additional documentation, we will reach out to you via email. Please monitor your inbox after submission just in case we need to clarify anything.

Thanks again for your purchase and enjoy your new Pirelli Tires!
