4. PRICES AND PAYMENTS

Unless otherwise agreed in writing, the prices indicated in the Contracts and in the Orders shall be considered fixed and not subject to any revision.

Should the Contracts concern the performance of Service/s, the payment of the invoices issued by the Supplier is conditional upon the latter's prior demonstration, through the receipt by Pirelli of the corresponding documents, of its full compliance with the applicable law requirements concerning the wages to be paid to its employees under statutory, economic, contributory and social security terms.

In any case Supplier shall hold Pirelli harmless and indemnified from any damage, loss, cost or expense (including, if any, sanctions imposed on Pirelli in compliance with applicable law) incurred by Pirelli as a consequence of any breach and/or non-fulfilment by Supplier of any of the provisions of this clause.

In all cases of non-fulfilment by the Supplier, Pirelli shall be entitled to suspend the payments due to the Supplier, without prejudice to the application of any interests or penalties, as long as the Supplier has not remedied to its non-fulfilment.

5. WITHDRAWAL

Pirelli shall have the right to early terminate any and all Contract/s and/or Order/s concerning the performance of Services by sending a 30-day prior written notice. Nothing shall be due by Pirelli to the Supplier as a consequence of the exercise of such right of termination, except for the right of the Supplier to demand payment for the activities carried out in a satisfactory manner up to that date.

6. TERMINATION

6.1 In the event of any breach by the Supplier of its obligations under the Contract/s and/or the Order/s, Pirelli shall have the right, without prejudice to any additional remedies specified in the Contract/s and/or in the Order/s for specific cases and any other remedy it may avail under applicable law, to send the Supplier a default notice, with the declaration that, if there has not been fulfilment within 15 (fifteen) days, then the contractual relationship shall be deemed terminated.

6.2 In addition to the provisions of clause 6.1, Pirelli shall be entitled to terminate the Contract/s and/or the Order/s at any time upon written notice to the Supplier, which termination shall be effective as of the date set by Pirelli in such notification, in the event that the Supplier:

6.3 Pirelli shall be entitled to terminate the relevant Order/s and/or Contract/s by means of a 30-day prior written notice to the Supplier should Pirelli's performance of the relevant Contract/s and/or Order/s become significantly too expensive due to an unforeseeable event.

6.4 The termination of the Contract/s and/or Order/s under the provisions of this clause and in all other cases shall be without prejudice to Supplier's obligations as stated in clause 2 (confidentiality), which shall survive any such terminations.

7. GUARANTEE AND QUALITY

7.1 Duration

Unless otherwise stated in the Order/s and/or in the Contract/s and without prejudice to any mandatory guarantee under applicable laws, the Supplier guarantees the suitability for use of the Good/s supplied for a minimum of 24 (twenty-four) months from the date of delivery.

7.2 Quantity

If the quantities of Good/s delivered do not correspond to the agreed quantities under the Contract/s and/or the Order/s, Pirelli may, at its own discretion, opt to:

- (a) accept the quantities delivered and change the quantities of subsequent supplies accordingly; or
- (b) require the Supplier to collect the quantities in excess of the ordered quantities, or, if Pirelli deems it appropriate, make restitution of all or part of the aforesaid quantities, at the Supplier's expense; Pirelli shall be entitled to:
 - (i) charge the Supplier the costs for such restitution and storage costs if the Supplier does not collect the Good/s immediately, and
 - (ii) reimbursement of payment of such quantities, if already made;
- (c) have the Supplier immediately sending the missing quantities of Good/s, charging the Supplier the costs and expenses resulting from Supplier default.

Pirelli may exercise the options listed above within 3 (three) months of the date of delivery of the Good/s.

7.3 Quality

The Supplier guarantees that the Good/s supplied and the Service/s performed will be free of defects and in compliance with the Technical Specifications. Good/s and Service/s to be supplied or performed shall be considered as defective in case:

- (a) they do not comply with what has been agreed under the Order/s and/or Contract/s; or
- (b) they do not reflect the characteristics of the samples and prototypes delivered by the Supplier;
- (c) they are not suitable for the use for which Pirelli intended to use them.

Pirelli will be entitled to conduct inspections at the Supplier's premises both for inspection of the Good/s and/or Service/s and for acceptance of the Good/s and/or Service/s, if required, and to check the quality system implemented in the Supplier's

organization. The methods and the extent of the inspection shall be agreed on with the Supplier in each specific case.

Without prejudice to any right of Pirelli pursuant to the Order/s and/or the Contract/s, as well as to any applicable laws, the Supplier shall, upon request of Pirelli and within a reasonable term set by Pirelli itself, repair or replace the defective Good/s and/or perform the Service/s in compliance with the relevant Order/s and/or Contract/s. Should the Supplier not comply with the above, Pirelli will be entitled, alternatively and at its sole discretion, to (i) terminate the relevant Contract/s and/or Order/s in compliance with previous clause 6, (ii) obtain a congruous reduction of the price of the defective Good/s or Service/s, or (iii) if only part of the Good/s or Service/s is defective, request to a third party supplier of its choice to provide the defective Good/s or Service/s at the expenses of the Supplier –.

Should, in accordance with all the applicable law provisions, Pirelli decide to carry out a campaign of recall or replacement of its own products due to defects of the Good/s provided by the Supplier, the latter shall hold Pirelli indemnified from any action, right or claim of third parties including any cost, expense and charge necessary for the campaign of recall or replacement (including any logistic or assembling and disassembling costs).

7.4 Insurance

The Supplier shall enter into at its own expenses an insurance policy (with a primary standing insurer and with thresholds and limits in line with ordinary market conditions) covering its responsibility for damages to third parties for any reason, including by way of producer's responsibility, deriving from the execution of the activities under the Order/s and/or the Contract/s. The Supplier shall deliver to Pirelli copy of such insurance policy.

7.5 General indemnification

Supplier shall indemnify and hold harmless Pirelli and its representatives, from and against any loss, claim, cost or expense (including legal and attorneys' fees) incurred by Pirelli or its representatives based upon or arising out of any breach by the Supplier in relation with supply and/or use of the Good/s and/or the performance of the Service/s.
